

# BRING YOUR KIDS ALONG

Children's Conference Care, Inc. (CCCI) is happy to be offering childcare at the Boston Convention and Exhibition Center for Yankee Dental Congress '36 attendees on Saturday, January 29<sup>th</sup> from 7:30 AM - 5:30 PM. While you are attending workshops, taking continuing education credits or just enjoying the exhibits, your children ages 6 mos. to 12 years will be on-site, meeting new friends and enjoying a fun-filled program of their own.

There is something for everyone. We have beads galore. Jewelry making is always popular as is challenging a friend to a game of "go-fish" with a super-size deck of cards. We have lots of games; our Jenga game is four feet high! We bring our stage and you make the puppets and create your own story. And cuddling up with a good book makes everyone feel at home after a very busy day.

We want you to feel comfortable when leaving your children with us. For your peace of mind, CCCI is fully insured and only an authorized adult can remove a child from our program. Our staff, most of whom are teachers, love working with children. They are all background checked and at least one person on site has CPR and first aid training.

CCCI maintains a nut-free zone. We will provide snacks and drinks; parents are responsible for lunches or fulfilling any special dietary requirements.

You must register for a minimum of four consecutive hours. If you want to stay longer, additional hours can be added. A full day discount is available. Pre-registration is encouraged. Walk-ins are an additional \$15 and are not guaranteed.

Grab your sneakers and join the fun!

*Children's Conference Care, Inc. has been providing on-site childcare for the past the past 14 years for meetings/conventions, educational institutions, as well as corporations.
