Each District has its own *Bylaws*. *Bylaws* are a set of written rules that describe the relationship between an organization and its members. *Bylaws* define members, Officers, and obligations of both, and provide consistency and continuity of operations for both those inside and outside the organization.

Please review your District Bylaws to familiarize yourself with District Operations.

All the Districts updated their *Bylaws* in 2019 to coincide with the new governance structure. Editorial changes were made to the *Bylaws* in 2021. Should additional changes need to be made, the District Chair will be notified. Please refer to your District webpage to read your unique *Bylaws* and familiarize yourself with the content.

If you have any questions, contact Janine Avery, MDS member engagement manager, at javery@massdental.org or 508.449.6007.

Your District bylaws are located on your District web page under the Documents and Resources accordion. For example, the Berkshire District <https://www.massdental.org/About-the-MDS/District-Dental-Societies/Berkshire-District>.
