If you are not sure who to contact, call the Member Assistance Center at 800.342.8747, option 5, for assistance.

The Member Assistance Center (MAC)

The Member Assistance Center (MAC) is a member-only service designed to help members succeed by providing answers and guidance for practice management questions and other concerns. A crew of dedicated MDS MAC advisors field calls using state-of-the-art call center technology. Staff members are available to offer you guidance on a broad range of topics, including day-to-day operations, practice management, compliance, employee relations, regulations and more.
