What is the Massachusetts Mission of Mercy No-Cost Dental Clinic?

The Massachusetts Mission of Mercy Free Dental Clinic, a program of the Massachusetts Dental Society Foundation, is affectionately referred to as MOM. This one day clinic provides dental care to underserved, uninsured, and those that would otherwise go without dental care. Oral health is inseparable from overall health and can affect a person's self-esteem, ability to work or attend school, and lead a productive life.

We can't do it without you! **Sponsorship Opportunities**

MOM offers various opportunities to make a real impact. Your gift, at any level, will change lives.

Sponsorships allow your organization to get your company name in front of dental and health professionals, community volunteers, and patients. Plus, you will be acknowledged on the large donor posters at the event.

For in-kind donations, please include an itemized list of supplies you are donating and their associated value.

Support the Mission of Mercy (MOM) Program!

Help us provide no-cost dental care to the underserved, uninsured in our community. Your generous contribution can make a real difference!
