

## WORCESTER DISTRICT DENTAL SOCIETY

### PRESENTS

## The Management of Medical Emergencies in the Dental Office and a Comprehensive Medical Review in Dentistry

### Presenter is:

Wael Youseff, DMD

Dr. Youseff received his dental degree from Damascus University and completed his dental education at Case Western Reserve School of Dental Medicine, Cleveland Ohio.

He then completed a Oral & Maxillofacial surgery residency at Boston University and a fellowship in Orthognathic and Temporomandibular joint surgery at St John Mercy Hospital in St Louis Missouri. Dr. Youseff has also served as Assistant Professor and Director of Internship program at Boston University Oral and Maxillofacial surgery residency program. He served as the Oral and Maxillofacial surgery representative at the trauma committee at the Boston Medical Center.

He is currently a member of and chair for the Anesthesia Committee at the Massachusetts Society of Oral & Maxillofacial Surgeons.

Dr. Youseff also serves on the Consignment Community College Board of Professional Advisors for the Schools of Dental Assisting and Dental Hygiene.

### Agenda

#### -Let the Doctor in, Have a field day with this course-

Our specialty continues to evolve, and the medical aspect of our field is no exception. Please join us to receive an update in the prevention and management of medical emergencies in the dental office, as well as a concise medical review (system by system) that includes all the latest recommendations and changes in the medical aspect of dentistry.

### Objectives

1. The prevention and management of the most common medical emergencies in the dental office (video assisted)
2. System by system review of basic diseases and the latest treatment recommendations
3. Medical clearance, when to treat and when to refer
4. Blood thinners (to hold or not to hold) before dental treatment
5. Update in (MRONJ)- Medical Related Osteonecrosis of the jaws
6. Update in prophylactic antibiotics requirement, a legalized view;
7. The use of antibiotics in dentistry, recommendations and pitfalls.
