Dear MDS Board of Trustees,

I would like to place my name as a candidate for the MDS Secretary position to be voted on at the 2023 House of Delegates. As many of you may or may not know I ran for the MDS Secretary position from the floor years ago and was defeated by Dr. Richard Marchand from the Cape Cod District. At that time, the majority of the members of the house said that I didn't have "board experience" and they were correct. Since that time, I have served as Trustee of the Metropolitan District and was influential on the MDS Board of Trustees within the Lustbader Administration helping with the passing and implementation of the new governance structure, the Delta Dental discussions and the all-important midlevel provider dialogue. My time on the board, while short, was a most rewarding educational experience that has strengthened my understanding of organizational dynamics toward societal excellence. I feel that I bring to the MDS Board over 30 years of experience in the fields of public relations, communications and marketing.

It would be an honor and privilege to serve a full-term as the MDS Secretary and contribute to the success of the best state dental society in the country.

Thank you for your consideration.

Respectfully submitted,

L. Jeffrey Lowenstein, DMD
